Final Table Bonus Chips (minimum 18 players)

- Stack Bubble: 1,000 chips
- All other final table players: 500 chips

Attendance/Performance Bonus Chips

You now can assure yourself a place in the cash tournament.

- Each game played adds 200 chips toward your cash game stack.

Guests

- Every guest that plays (up to the first four games) earns the hosting player an additional 200 chips.
- Top THREE players who have had the most guest games in the series will receive a half stack (2,500 chip) bonus.

Any player with a minimum of 2,500 chips total (won stacks + bonus chips) qualifies for the cash tournament.

All players qualify for bonus chips, regardless of number of stacks won through regular play. Bonus chips are added to regular stacks won.

Good Luck!
